Completed Research Schemes

Ad-hoc Research scheme

- * **Principal investigator** of ICAR *ad hoc* research scheme entitled, 'Studies on fertility improvement of Deoni cows using biotechnical and managerial applications (5.12.95– 4.12.2000)
- * **Co-investigator** of state funded scheme, 'Assessment of mineral profile relationship of animals, soils, feeds and fodders in Maharashtra for improvement of livestock production potential' sponsored by state government of Maharashtra (2008-2010)
- * **Principal investigator** of University sponsored 'Technical survey of *goshalas* in the state' during 2018-19
- * **Implementing officer and Principal Investigator** of RKVY scheme entitled, Strengthening and modernization of veterinary clinical complex, diagnostic laboratories and establishment of training centre at COVAS, Parbhani' with provision of Rs 459.45 crore (2018-22)

Sponsored Research schemes

- * Studies on efficacy of Morolac on the reproductive performance of *Deoni* cows and Murrah buffaloes, Sponsored by *Universal Medikit, Nagpur*. (**Co-investigator**)
- * Studies on the efficacy of Replanta on reproductive performance of *Deoni* cows, sponsored by *Indian Herbs, Saharanpur* (UP). (**Co-investigator**)
- * Studies on induction of sexual maturity by using *Tonoricin* in *Deoni* heifers, sponsored by *Wockhardt Veterinary Ltd., Bombay*. (**Principal investigator**)
- * Studies on induction of post partum oestrus in *Deoni* cows by using micro minerals with Vitamin E. (Gynolactin), sponsored by *Jeps pharma, New Delhi* (**Principal investigator**)
- * Studies on fertility improvement in *Deoni* cows by use of various herbal drugs, sponsored by *Indian herbs, Saharanpur* (UP) (**Principal investigator**)
- * Studies on efficacy of injection E care Se in *Deoni* cows and Marathawadi buffaloes for post partum uterine regeneration, sponsored by *Vetcare pharma, B'lore* (**Principal –investigator**)
- * Efficacy of Dermanol cream and skin heal spray against dermatomycosis in cattle, sponsored by *Indian Herbs, Saharanpur* (**Co-investigator**)
- * Efficacy of VETFEN 600 in enhancing milk production and fertility improvement in bovines. Sponsored by *Indian Immunologicals, Hyderabad* (**Co-investigator**)
- * Efficacy of calcium pallet oral supplementation (*Calsagar*) on lactation and reproductive performance of dairy animals. Sponsored by *Indian Immunologicals, Hyderabad* (**Principal investigator**)

- * Studies on treatment of low-grade endometritis with chloramphenicol by intra uterine administration in repeat breeder Sponsorer Vetcare pharma, B'lore **(Principal investigator)**
- * Studies on Anion supplementation in peri partum animals in reference to urinary P^H and serum calcium levels. Sponsored by Intas Pharmaceuticals, Ahmedabad **(Principal investigator)**
- * Studies on efficacy of livofloxacin and alpha-tocopherol intrauterine administration in infectious repeat breeder animals. Sponsored by Intas Pharmaceuticals, Ahmedabad **(Principal investigator)**
- * Assessment of mineral profile relationship of animals, soils, feeds and fodders in Maharashtra for improvement of livestock production potential. Scheme sponsored by state government of Maharashtra **(Co-investigator)**
- * Clinical trials on hydroxyprogesterone and human chorionic gonadotrophin in infertile dairy animals. Sponsored by Indian Immunologicals, Hyderabad. **(Principal investigator)**
- * Clinical trial on herbal preparation-AI Sure- for improvement of conception rate in dairy animals. Sponsored by Ventry Biologicals, Pune. **(Principal investigator)**
- * Clinical trial report on Levofloxacin + ornidazole and / or Tocoferol for prevention of post partum infections in Bovines. Sponsored by Vetoquinol Animal Health Ltd, Mumbai. **(Principal investigator)**
- * Therapeutic Evaluation of Excede® in Post partum Metritis of Dairy animals. Sponsored by **Pfizer** Animal health Ltd, Mumbai **(Co-investigator)**
- * Evaluation of efficacy of poly-herbal uterine cleanser and restorative Exapar-N for treatment of various reproductive disorders in cows. Sponsored by Ayurved Ltd. **(Principal investigator)**
- * Efficacy of intrauterine herbal drug therapy (*Ropitas*) for treatment of placental expulsion and early uterine involution in ruminants. Intas pharmaceuticals Ltd. **(Principal investigator)**
- * Efficacy of PG *dexa* isomer (Pregma-D) for luteolysis in dairy animals treated for targatted breeding protocols. Intas pharmaceuticals Ltd. **(Principal investigator)**
- * Clinical studies on new antibiotic formulation –Ceftiofur for treatment of endometritis. Intas pharmaceuticals Ltd. **(Principal investigator)**
- * Intrauterine treatment of post partum metritis with multiple antibiotic combination and its efficacy to resume speedy uterine involution in dairy animals. Alembic pharmaceuticals Ltd. **(Principal investigator)**
- * Clinical trials on new formulation to improve implantation and prevention of early embryonic death in cattle and buffaloes. Intas pharmaceuticals, Ltd. **(Principal investigator)**
- * Clinical trials on herbal embolic and metabolite combination for placental expulsion and prevention of metabolic disorders in recently parturated dairy cattle **(Principal investigator)**
- * Induction of oestrus in pubertal heifers with herba-nutrients. Sponsored by Ayurved, Ltd. **(Principal investigator)**
- * Efficacy of CIDR protocols in dairy animals **(Principal investigator)**

Collaborative Research

- * Research on Intersexuality in Goats in collaboration with Center for Cellular and Molecular Biology, Hyderabad.
- * Research on Hormonal levels in various reproductive disorders in collaboration with Endocrinology lab., Bombay Veterinary College.

Technical Advisor

- * Research scheme on improvement of fertility in Red Kandhari cows with breeding hormonal protocols sponsored by NABARD to *Krishi Vidyan Kendra*, Ambejogai.

EXTENSION ACTIVITIES

OBJECTIVES

- ✓ Struggle for awareness regarding veterinary practices
- ✓ Mass education for animal husbandry development.
- ✓ Efforts for economic upliftment of poor, rural farmers
- ✓ Transmission of information, knowledge and technologies to Neo-literates and illiterates.
- ✓ National recognition and more justice to local breeds of domestic animal breeds viz.

<i>Deoni</i>	National champion dual purpose breed of cattle
<i>Red Kandhari</i>	Draught purpose famous cattle breed
<i>Marathawadi</i>	Local buffalo breed known for sustenance under adverse stages
<i>Osmanabadi</i>	Mutton purpose prolific breed of goats
<i>Pashmi & Karwan</i>	Farmer friendly hunting dogs
